The Office of Legal Affairs has moved to Powell Hall West Suite 1100.
- **The main entrance to the Odum Library** is closed for renovation; patrons should use the entrance facing the Fine Arts Building.

Revised or Updated Policies and Procedures

- **Updated Attendance Guidelines:** The Faculty Senate has approved updated attendance guidelines. You can see these updated guidelines in our undergraduate online catalog at <http://catalog.valdosta.edu/undergraduate/academic-affairs/>.
- **Updated Process for a Late Medical or Hardship Withdrawal:** The withdrawal process and policy remains the same except for the following: If a student's medical or hardship appeal is validated through the Dean of Students Office, students will receive a "W" for those classes. The grade of "WF" will only be assigned in the case of an undergraduate student who has

ACADEMIC AFFAIRS UPDATES FALL 2018

exceeded the five withdrawal limit or who has withdrawn to avoid an academic dishonesty penalty.

- **Updated Forms for Course and Curriculum Changes** are available at <https://www.valdosta.edu/academics/academic-affairs/guidelines-for-new-or-changed-courses-or-curriculum.php>.
- **Updated Banner Course Designators for Courses Using Low Cost or No Cost Course Materials:** In Fall 2018, University System of Georgia (USG) institutions will be required to prominently designate sections of courses whose course materials exclusively consist of no-cost (open or free textbooks) or low-cost course materials at the point of registration. In Banner, USG institutions will use 2 designations for courses with:
 - No-cost: \$0 required costs
 - Low-cost: \$40 or under required costs

Excluded from the cost caps are equipment (such as art supplies, calculators, or physical lab materials) and fees for test proctoring. For more information, see https://www.affordablelearninggeorgia.org/about/course_catalog_designators

- **Updates to Registration Availability:** Starting this fall, when students are advised for Spring 2019, they will also have the opportunity to be advised for Summer 2019, and registrations for both terms will occur in November 2018. As a result, those faculty scheduled to teach in summer 2019 should also submit their course materials and textbook orders by October 15.
- **Licenses & Membership:** Professional licenses and memberships must be in VSU's name if state funds are used to purchase. If an organization will not allow institutional membership, please provide the following to Financial Services: documentation from the organization on no institutional memberships and documentation of the benefit of the individual membership to the institution and its mission. Financial Services will then review with Internal Audit on a case by case basis.
- **Non-Overnight Travel:** Effective July 1, 2018, the USG does not provide meal per diem during non-overnight travel due to the IRS taxable compensation implications.
- **Employer Provided Clothing/Uniform:** Clothing provided to employees is considered taxable compensation per IRS regulations, meaning the employee will be taxed on the fair market value of the clothing/uniform provided. (This is still the case when it is a condition of employment, but the clothes are suitable for taking the place of regular clothing. The general rule of thumb is, clothing is taxable if it is adaptable for every day wear.) At VSU, taxability will be determine at the point of purchase, or in the case of Physical Plant, at the point of hire (assignment of clothing).
- **Moving Expenses:** Recent federal tax reforms eliminated moving expense deductions beginning January 1, 2018 through December 31, 2025; therefore, moving expenses paid to an employee will be treated as taxable compensation to the employee.

Travel Reminders:

- If you copy an expense report from a prior year, change the budget reference to 2019 to avoid delayed reimbursements.

ACADEMIC AFFAIRS UPDATES FALL 2018

- [State Travel Policy](#) section 3.1 prohibits the use of private residence, therefore online private rental services such as Airbnb, VRBO and HomeAway are not allowed.
- Lodging no longer needs to be itemized on the expense report as long as it is itemized on the receipt. Any additional costs included on a lodging receipt such as parking, must be separately listed on the expense report.
- Standing Travel Authorizations within the State of Georgia do not carryover from year to year; please submit [approved requests for FY19](#) if you have not done so already
