

<u>Name</u>	<u>Department</u>	<u>VSU Email</u>	<u>Teaching and Research Expertise</u>	<u>Research Methodology Expertise</u>	<u>Previously served on a dissertation committee</u>	<u>Previously served on a thesis committee</u>	<u>Faculty Title</u>
Phillip Dybicz	Social Work	pdybicz@valdosta.edu	historical research, specializing in the history of intellectual thought	Historical	no	no	Assistant Professor
Jason Brown	Communication Arts	jasonebrown@valdosta.edu	MA in Screenwriting & Film Studies, MFA in Film & Video Production, Certified in Media Distribution & Financing	Practitioner-led, Mixed Methodology	no	no	Assistant Professor
Debbi Robinson	Criminal Justice	dmrobins@valdosta.edu	Crime Prevention, Sexual Deviance, Criminal Victimization, have taught all core classes (except Ethics) and many electives	Qualitative, Survey Research	Yes	Yes	Professor
Donna Gosnell	Chemistry	dgosnell@valdosta.edu	Biochemistry, General chemistry, Physical Chemistry, Biophysical Chemistry Research	Quantitative, Qualitative, Experimental Designs, Biophysical Chemistry	no	yes	Associate Professor
Marc G. Pufong	Political Science	mpufong@valdosta.edu	Law and Courts, Constitutional Law, Administrative Law & Government, Presidency, Politics and the Supreme Court, International Law & Government, EU Law & Politics, Judicial Process, Law & Justice. American Government, Georgia Politics and Constitution, ... with publications in the areas of Judicial Decision Making. Georgia Government, Administrative Law (upcoming),	Quantitative and Qualitative Mixed Methods, Survey Research Design	yes	yes	Professor
L. Dee Davis Ott	Nursing	ldott@valdosta.edu	Graduate Nursing Courses, Falls in Older Adults, OSCEs, Simulation/Virtual Reality	Quantitative, Qualitative; Mixed Methods, Survey Designs	no	no	Assistant Professor
Sarah Arnett	Communication Arts	swarnett@valdosta.edu	Dance, Choreography, Interdisciplinary (Media, Music, Technology)				
James D. Holland	School of Nursing	jdhollan@valdosta.edu	Evidence Base Practice, Theory, Respiratory Therapy, Asthma, Heart Failure, Family, Quantitative, Qualitative, Diversity, HIV/AIDS, and simulation	Quantitative, Qualitative	no	no	Assistant Professor

Nanci A Scheetz	MSRD	nascheet@valdosta.edu	Deaf Education and Interpreter Training (ASL)	Survey Research Designs, Focus Group Research	no	yes	Professor
Dr. Karen Todd Pickles	ACED	ktpickles@valdosta.edu	Instructional Design, Online Learning, Pathway Programs, Course Conversion	Mixed Methods, Survey Research Designs	yes	no	Assistant Professor
Brian Ring	Biology	bcring@valdosta.edu	Introductory Biology Majors, Honor's Cell Biology, Developmental Biology, Genetics, Molecular Genetics, Senior Seminar; Molecular Genetics Researcher	Quantitative, Mixed Methods, Experimental Designs, Genetics, Developmental Biology, Molecular Biology	yes	yes	Associate Professor
Maren Clegg Hyer			Medieval English studies, English studies, scholarship of teaching, language arts pedagogy	Mixed Methods	yes	yes	Associate Professor
Christina Yates	Communication Arts	cbcyates@valdosta.edu	Organizational Communication, Training & Development, Small Group Communication, Public Speaking, Conflict Management, Leadership, Organizational Analysis, Change Management, Instructional Communication, Project Management, Process Improvement, Creativity	Qualitative, Mixed Methods, Survey Research Designs, Focus Group Research	no	no	Assistant Professor
Gary Hackbarth	Management and Healthcare Administration	ghackbarth@valdosta.edu	Healthcare Administration, Information Systems, Information Systems Security, Quantitative Analysis, Statistics, Qualitative Analysis, Project Management, SAP	Quantitative, Qualitative, Survey Research Designs, Text Analysis, Big Data	no	yes	Assistant Professor
Lucia Y. Lu	Early Childhood Education	lylu@vldosta.edu	Reading, Literacy, Diversity Case-study research	Qualitative	no	yes	Associate Professor

Sha Wilfred	Criminal Justice	spgray@valdosta.edu	Restorative Justice, Community Based Organizations (e.g., Faith-Based Organizations) and their involvement with offenders and the criminal justice system, juvenile justice issues (i.e., juvenile waivers & ATOD), mentally-ill offenders, community corrections (i.e., the use of community service, probation, and electronic monitoring as alternative forms of sentencing), and minorities in the criminal justice system.	Quantitative, Qualitative, Mixed Methods, Survey Research Designs, Focus Group Research	yes	yes	Professor
Michael Savoie	Communication Arts	mpsavoie@valdosta.edu	Honors, Mass Media, Communication, Education	Qualitative, Experimental Designs, Focus Group Research	yes	yes	Professor
Deborah Paine	MSRD	dgpaine@valdosta.edu	Teacher preparation, assessment, literacy	Mixed Methods, Survey Research Designs, Focus Group Research	yes	no	Assistant Professor
Joshua S. Rodefer	Psychology, Counseling, and Family Therapy	jsrodefer@valdosta.edu	neuroscience, psychopharmacology, psychiatric disorders, addiction, drug abuse, schizophrenia, cognition, decision-making, learning/memory, experimental psychology, statistics, behavioral economics	Quantitative, Experimental Designs	yes	yes	Assistant Professor
Barbara J. Radcliffe	Middle, Secondary, Reading, and Deaf Education	bjradcliffe@valdosta.edu	Middle Grades Education, Literacy, School Improvement, Curriculum and Instruction, PreService Teacher Preparation, Inservice Teacher Development	Qualitative, Survey Research Design	yes	no	Associate Professor
Carol M. Glen	Political Science	cmglen@valdosta.edu	International relations, comparative politics, public administration	Qualitative	yes	yes	Professor
Leslie Sandra Jones	Biology	lesliesj@valdosta.edu	Biology, Science Education, Anti-racist Education	Quantitative, Qualitative, Mixed Methods, Experimental Designs, Survey Research Designs	yes	yes	Associate Professor
Jia Lu	Geosciences	jl@valdosta.edu	Urban planning, Geography. GIS, Spatial Analysis	Quantitative, Survey Research Designs	yes	yes	Associate Professor

Jin Wang	Math	jwang@valdosta.edu	Operations Research, Probability, Statistics	Quantitative, Data Science, Modeling, Optimization, Data Analysis	yes	yes	Professor
Lee Allen	Political Science	lallen@valdosta.edu	Several Public Administration sub-fields American Government and State and Local Government	Qualitative, Mixed Methods, Survey Research Designs	yes	yes	Professor
Regina L. Suriel	Middle, Secondary, Reading, and Deaf Education	rlsuriel@valdosta.edu	Science education for middle and secondary grades, education specialist degree. My research expertise is in science education and English language learners/ Latinos, mentoring, multicultural education.	Qualitative, Survey Research Design	yes	no	Assistant Professor
Linda Most	Library and Information Studies	lrmost@valdosta.edu	Library Science; Research expertise in qualitative content analysis and theory generation.	Qualitative	no	no	Associate Professor
David Nelson	Communication Arts	drnelson@valdosta.edu	social media, pop culture, rhetoric, digital communication, humor	Quantitative	no	yes	Associate Professor
Karen R. Knoll	Communication Sciences and Disorders	knoll@valdosta.edu	Clinical practicum in speech-language pathology, child language, preschool language and vocabulary development, school-age language and reading	Quantitative, Survey Research Designs	no	yes	Assistant Professor
Anita L. Ondrusek	Library and Information Studies	alondrus@valdosta.edu	Research Methods (in the Social Sciences); Adult Learning Behavior; Philosophy of Teaching; Instructional Design; Content Analysis	Quantitative, Qualitative, Content Analysis	no	no	Professor
John Dunn	History	jdunn@valdosta.edu	History: China, Middle East, North East Africa, Poland, Military affairs - Numismatics.	Qualitative	yes	yes	Professor
JT Cox	Middle, Secondary, Reading, and Deaf Education	jtcox@valdosta.edu	English Education and Writing Instruction; Pre-Service teacher development; attitudes and beliefs of pre-service teachers	Qualitative	yes	no	Assistant Professor
Neena Banerjee	Political Science	nbanerjee@valdosta.edu	Quatitative Methods, Performance Analysis, Education Policy, Diversity, School Culture, Education Outcomes	Quantitative, Qualitative, Mixed Methods	yes	no	Assistant Professor

Michael Webster	Health Sciences	MJWebster@valdosta.edu	physiology, nutrition, muscle fatigue, muscle metabolism	Experimental Designs	yes	yes	Associate Professor
Martha Laughlin	Marriage and Family Therapy	mjlaughlin@valdosta.edu	Systems theory, communication theory, double bind theory, relational thinking and practice	Qualitative	no	no	Professor
Amy I. Aronson	MCL	aaronson@valdosta.edu	Spanish, Latin America, Spain, History, Linguistics, Culture	Qualitative	no	no	Professor
Ben Wescoatt	Math	bmwescoatt@valdosta.edu	Undergraduate mathematics education	Mixed Methods	no	no	Associate Professor
Robert Keen	College of Nursing	rdkeen@valdosta.edu	Med-Surg Nursing Clinicals for Junior 2 students	Focus Group Research	no	no	Instructor
Yakov Woldman	Chemistry	ywoldman@valdosta.edu	Biochemistry, General chemistry	Quantitative, Qualitative, Experimental Designs	no	no	Professor
Eric Howington	Management and Healthcare Administration	ebhowington@valdosta.edu	Applied statistics, quantitative methods, and analytics	Quantitative, Experimental Designs	no	no	Associate Professor
Prosper Yao Tsikata	Communication Arts	pytsikata@valdosta.edu	Health Communication (Rhetoric of Health), Organizational Communication, Social Media, Intercultural Communication	Qualitative, Focus Group Research	no	no	Assistant Professor
John F. Elder	Biology	jfelder@valdosta.edu	Genetics, molecular genetics, evolution, fishes, marine biology	Quantitative, Qualitative, Mixed Methods, Experimental Designs	yes	yes	Professor
Sean Lennon	MSRD	smlennon@valdosta.edu	Education, Social Studies, Curriculum and Instruction, Teaching of critical and controversial issues, Quantitative methods	Quantitative, Mixed Methods, Experimental Designs, Survey Research Designs	yes	no	Associate Professor
Jack Mitchell Lockhart	Biology	jmlockha@valdosta.edu	Teaching - Anatomy, Histology, Wildlife Biology, Parasitology Research - Wildlife Diseases, Vector-Borne Disease Ecology, Telemetry, Parasitology	Quantitative, Mixed Methods, Experimental Designs	no	yes	Professor
Theresa Grove	Biology	tjgrove@valdosta.edu	General Biology, Comparative Biochemistry and Physiology, Fish Physiology, Muscle Physiology, Protein Biochemistry, Physiological Adaptation	Quantitative, Experimental Designs	yes	yes	Associate Professor
Cristina Caletani	Biology	ccaletani@valdosta.edu	Genetics and Developmental Biology	Quantitative, Qualitative, Experimental Designs	no	yes	Associate Professor

Jennifer Beal-Alvarez	MSRD	jbalvarez@valdosta.edu	single case design, sign language development, assessment	Quantitative, Mixed Methods	yes	no	Assistant Professor
Andrea J. Ramirez	Women's and Gender Studies	ajramirez@valdosta.edu	Feminist Theory, LGBT Studies, Queer Theory, Race Class & Gender, Social Problems, Global Feminism	Mixed Methods	no	no	Instructor
Catherine Oglesby	History	coglesby@valadosta.edu	U.S. history; Gilded Age/Progressive Era; women's and gender history	Qualitative, Mixed Methods	no	yes	Professor
Joseph Martin	Political Science	josemartin@valdosta.edu	Intergovernmental Relations, Public Finance, City Management, Urban Planning, Administrative Law	Quantitative, Qualitative, Mixed Methods	no	yes	Instructor
Victoria Russell	Modern and Classical Languages	varussell@valdosta.edu	processing instruction / input processing; computer assisted language learning; pragmatics; foreign language teacher preparation	Quantitative	yes	no	Associate Professor
Steve Downey	CLT	sedowney@valdosta.edu	Research design, online learning, technology-based classroom instruction	Quantitative, Mixed Methods, Experimental Designs, Survey Research Designs	yes	no	Associate Professor
Diane Carol Holliman	Social Work	dhollim@valdosta.edu	Social welfare policy, social welfare history, Human Development across the lifespan, working to build effective agencies and communities. State and federal policy practice, Grief & loss, aging, grant writing	Qualitative, Survey Research Design	yes	yes	Professor
Anne M. Price	Sociology	annprice@valdosta.edu	survey research, quantitative methods, regression analysis	Quantitative, Qualitative, Mixed Methods, Survey Research Designs	no	yes	Assistant Professor
Deborah Briihl	Psychology, Counseling, and Family Therapy	dbriihl@valdosta.edu	Psychology - scholarship of teaching and learning, assessment, career development (I also like food :	Quantitative, Experimental Designs, Survey Research Designs	no	yes	Professor
Matthew Carter	CSD	mdcarter@valdosta.edu	Language and Literacy Disorders, Dyslexia, Reading Comprehension, Stuttering, Speech Acoustics	Quantitative, Experimental Designs	yes	yes	Assistant Professor

Crystal Randolph	Communication Sciences and Disorders	crandolph@valdosta.edu	early literacy intervention, pediatric feeding and swallowing, speech sound disorders	Quantitative	yes	yes	Assistant Professor
Samira Garcia	Psychology, Counseling, and Family Therapy	sygarcia@valdosta.edu	Marriage and family therapy, postmodern theory	Qualitative	no	no	Instructor
Jamie Workman	Curriculum, Leadership, and Technology	jworkman@valdosta.edu	Higher Education/Student Affairs, Major and Career Development, Living/Learning Communities, Academic Advising, Diverse College Students	Qualitative, Mixed Methods	no	yes	Assistant Professor
Ivan Nikolov	Educational Leadership	inikolov@valdosta.edu	international studies, political economy, international education	Quantitative, Qualitative, Focus Group Research	yes	no	Professor
Myrto Drizou	English	mdrizou@valdosta.edu	American Literature; World Literature; Women's Literature; Literary Theory and Criticism; Comparative Approaches to Literature	Qualitative	no	yes	Assistant Professor
Jessica Graves	Early Childhood and Special Education	jbgraves@valdosta.edu	Elementary Education, Literacy Education, Sociocognitive Theory, New Literacies and Technology, Instructional Planning, Qualitative Research	Qualitative	no	no	Associate Professor
Jacob Jewusiak	English	jmjewusiak@valdosta.edu	English literature	Qualitative	no	yes	Assistant Professor
Sharon L. Gravett	English	sgravett@valdosta.edu	19th and 20th century American literature; film		yes	yes	Professor
Shaun Ault	Math	svault@valdosta.edu	mathematics	Mathematical Proof and Derivation	no	no	Associate Professor
Jonghoon Kang	Biology	jkang@valdosta.edu	Biophysics, Cell biology, Immunology, Bioinformatics, Thermodynamics, Kinetics	Quantitative	no	yes	Associate Professor
Lee Grimes	Psychology, Counseling, and Family Therapy	legrimes@valdosta.edu	Counseling including Career Counseling and Development with a K-16 perspective, School Counseling, Advocacy, Rural Education, Career Education, Qualitative Methods	Qualitative	yes	yes	Assistant Professor

Jesse Cook	Music	jpcook@valdosta.edu	Brass Pedagogy, Orchestral Studies, Music Performance, Performance Anxiety	Mixed Methods, Focus Group Research	no	no	Assistant Professor
Dharini Bhammar	Health Sciences	dmbhammar@valdosta.edu	Exercise Physiology, Epidemiology, Blood pressure, Pulmonary function, Obesity	Quantitative, Experimental Designs	no	yes	Assistant Professor
Mandi Bates Bailey	Political Science	mbbailey@valdosta.edu	American Government, public opinion, racial attitudes, attitudes toward minority groups, social media, stereotyping	Quantitative, Experimental Designs, Survey Research Designs	yes	no	Associate Professor
Robert Spires	Middle, Secondary, Reading, and Deaf Education	rwspires@valdosta.edu	Asia, qualitative research methods, marginalized/vulnerable groups, social justice, social science	Qualitative, Mixed Methods, Survey Research Designs	yes	no	Assistant Professor
Donna N. Sewell	English	dsewell@valdosta.edu	ethnography, composition pedagogy, writing, women's literature, grammar, editing	Qualitative	yes	yes	Professor
Rudy K. Prine	Sociology, Anthropology, Criminal Justice		With 22 years of service at VSU I've taught almost all of our Criminal Justice courses over the years with emphasis on CJ Ethics, Internships, White Collar Crime, Criminology, Organized Crime, Terrorism.. In terms of research projects I've published in the areas of: Judicial Decision Making/Sentencing, Agricultural Related Crime, Police/Community Satisfaction Surveys, City Service/Community Satisfaction Surveys, Task Analysis for Police Departments including the Valdosta/Lowndes Regional Crime Lab, Alternatives to Incarceration of Drug Offenders including Day Reporting Centers	Mixed Methods, Survey Research Designs	yes	yes	Professor
William F. Truby	CLT	wftruby@valdosta.edu	grad school of education, leadership, k-12 education	Qualitative	yes	no	Assistant Professor
Susan Eischeid	Music	seischei@valdosta.edu	Music, Oboe, Music History, the Holocaust	Mixed Methods	yes	yes	Professor

Ning Wang	Economics and Finance	nwang@valdosta.edu	Financial Management, Insurance, Risk Management, Healthcare Finance, Personal Finance, Financial Economics	Quantitative	no	no	Assistant Professor
Robert Harding	Political Science	rcharing@valdosta.edu	Comparative Politics, International Relations, International Security	Mixed Methods	no	yes	Associate Professor
Anurag Dasgupta	CS	adasgupta@valdosta.edu	Distributed Systems, Algorithm, Networking, Game Theory	Quantitative, Qualitative	no	no	Assistant Professor
Jenifer Turco	Biology	jturco@valdosta.edu	microbiology, bacteriology, virology, immunology, mammalian cell culture	Quantitative, Qualitative, Mixed Methods, Experimental Designs	yes	yes	Professor
Dawn T. Lambeth	MSRD	dtlambeth@valdosta.edu	Educational Leadership, Curriculum and Instruction, Educational law, Ethics, Equity and Diversity in the classroom	Qualitative	yes	no	Associate Professor
Meagan Caridad Arrastia-Chisholm	Psychology, Counseling, and Family Therapy	mcarrastia@valdosta.edu	educational psychology, sociology, instructional design, reading research, teacher learning, mixed methods, measurement and statistics, survey methods, experimental design	Quantitative, Qualitative, Mixed Methods, Experimental Designs, Survey Research Designs	no	no	Assistant Professor
Peggy L. Moch	Math	plmoch@valdosta.edu	Mathematics, Mathematics Education, Statistics, Math Anxiety, Motivational Theory, Teacher Self-Efficacy	Quantitative, Mixed Methods, Experimental Designs, Survey Research Designs	yes	yes	Professor
