**3. SPECIAL ORDER OF THE DAY**

- a. Dr. Staton reported that he anticipates an announcement about personnel matters before we break for the holiday. The titles of Interim will be removed and Michael Savoie will be Dean of Honors College, James LaPlant will be Dean of the Graduate School, and Sherri Noviello will be Dean of the College of Nursing and Health Sciences. Dr. Staton hopes to announce the decisions for University Attorney and VP of Student Affairs on Friday also. Applications to VSU are encouraging – 1400 to 1500 more than this time last year. Will take several years to catch up financially, but we may have turned the corner.
- b. Employee of the Semester – Dr. Denise Bogart read the purpose of and criteria for EOS. She and Dr. Staton presented certificates to the nominees and the awards to the winner and two runners up. The winner for fall 2015 is Michael Bauer, Physical Plant. Runners up are Heidi Duthoy-O’Connor, Counseling Center and Jessica Taylor, Physics, Astronomy & Geology. Congratulations!
- c. Lt. Alan Rowe presented two initiatives from the Campus Safety & Security Committee. The first is a Mobile Phone App for emergency calls. This will expand the ability for people to contact UPD in an emergency and eliminate some of the analog phones. Data shows that very few real emergencies are called in on the analog phones around campus. On average, 5 calls a day come in that are false alarms – students or others walk by a phone and hit the call button. The second initiative is ALERTUS, a campus alert system that will take over computer screens on campus in the event of an emergency to let everyone know what is going on. This includes the option of a desktop panic button. These two initiatives will also provide a cost savings for the university. Lt. Rowe requested COSA’s support of the two initiatives in anticipation of presenting to VP Martin. He answered questions regarding the projected implementation date, privacy, and other issues.
