WHEREAS, the safety and well-being of all students is the utmost priority of the Student Government Association at Valdosta State University;

WHEREAS, the Student Government Association of Valdosta State University has observed the lack of safety precautions being taken in the Oak Street and Sustella Avenue parking garages;

WHEREAS, the Student Government Association of Valdosta State University has heard the concerns of many students about their safety while in the parking garages due to the lack of visibility of oncoming traffic of vehicles and pedestrians when approaching turns;

NOW, THEREFORE BE IT RESOLVED, the Student Government Association of Valdosta State University recommends the installation of three to four mirrors per floor of each parking garage to give drivers a better view of who or what is around each corner;

THEREFORE, BE IT FINALLY RESOLVED, the implementation of three to four mirrors per parking garage would result in a safer environment for the students of Valdosta State University. This would ultimately provide a safer environment for students and the degree of concern to students' safety to decrease while in the University's parking garages and lessen the possibility of property damage or injury of any persons in the garages.
