APPROVED PROVIDER**

Valdosta State University, Department  
of Communication Sciences and  
Disorders  
Intermediate Level  
5 ASHA CEUs

This program is offered for .5 CEUs  
(Intermediate Level, Professional Area)

## Dr. Robert A. Hull, Jr.

## Course Overview

## About the Presenter

**Dr. Robert A. Hull, Jr.**'s foresight in academia led him to develop and teach undergraduate and graduate courses at Ball State University and Valdosta State University. In addition

to his role as a beloved professor and advisor, Bob was a clinical supervisor, a clinic director, an off campus placement coordinator, and the parliamentarian and executive secretary of the university faculty senate.

His impact on the SLP profession spanned the country through his service to multiple state and national professional organizations, including being a member of GSHA for 23 years. Over time, he held every office in the association, including President for two terms. He also served on several ASHA committees and was the Publications and Technology Chair for the Council of State Association Presidents, an affiliation of ASHA. At the 2009 GSHA annual convention, he was awarded the Honors of the Association in recognition of his outstanding performance in clinical service, academic teaching, service to GSHA, and service to other local, regional, and national organizations.

Dr. Hull will always be remembered for his love for family, VSU, and his students. All proceeds from the Hull Memorial Lecture Series benefit the Dr. Robert A. Hull Scholarship Fund.

8:15-8:50	Registration
8:50-9:00	Welcome and Introductions
9:00-9:35	Simple View of Reading

### Learning Outcomes

Upon completion of the conference, participants will be able to:

1. Describe the simple view of reading as it relates to speech and language
2. Discuss the overlap between speech sound disorders and dyslexia
3. Identify one new approach for target selection

Kelly Farquharson, Ph.D., CCC-SLP is an SLP, an associate professor, and director of the Children Literacy and Speech Sound Lab at Florida State University. The mission of her work is to help children with speech and language

impairments achieve classroom success. She runs an active Instagram account - @classlab\_Kelly in which she posts about the clinical application of research. This includes a popular weekly series called "phonetics Friday". She has a related line of interest in working with school-based speech-language pathologists to ensure that they are prepared to implement best practices and work at the top of the license.

Disclosure: Financial: The presenter receives a salary from Florida State University. She receives a speaker fee from Valdosta State University. She is an Amazon Affiliate and can earn commission on certain links. She has developed products with Bjorem Speech Publications for which she earns royalties. She does consulting work for SLP Toolkit, Bright Ideas Media, The Informed SLP, and Bjorem Speech Publications. She is the Editor-in-Chief of Language, Speech, and Hearing Services in Schools. Nonfinancial Disclosure: Affiliated faculty member with the Florida Center for Reading Research

**The lecture will be held in the Student Union, Ballroom C**

### Parking:

Oak Street parking lot. A parking pass is not required to park in one of the surface lots for this CE event. (Across the street from the Fine Arts Building or behind the College of Education). Please do not park in the student parking deck unless you are a VSU faculty member or student.

### Directions from Interstate 75:

Follow I-75 to Exit 18 and travel east to Valdosta. Turn left at the second traffic signal onto Gornto Rd. At the next traffic signal, turn right onto Baytree Rd. Follow Baytree Rd. until it dead ends into the VSU campus/ Student Union. Turn right onto Oak Street. At the first traffic signal, turn right into the parking lot.
