Required Assessment Portfolio

All students are REQUIRED to purchase access to the MLIS Program assessment system called LiveText (www.LiveText.com). Instructions for purchasing and using LiveText are posted on the course website.

Why LiveText? LiveText is the software that the MLIS Program selected for keeping track of the assessments developed to meet ALA accreditation requirements that MLIS programs document their goals and objectives in terms of student learning outcomes. These assessments are part of all the core courses as well as certain electives. Therefore, all current students must purchase a subscription in order to submit those assignments that also serve as core assessments. The LiveText subscription requirement is not tied to when you entered the program or to when you plan to graduate.

Once you purchase your subscription to LiveText, it is good for up to 5 years. You will also have personal access to other LiveText features you may find useful once you have your subscription. Please consider the purchase of your LiveText subscription as you would the purchase of any other textbook or piece of software required for a course. You might also be interested to know that LiveText is used extensively in hundreds of North American universities for program assessment and portfolio purposes. At VSU it is also required in other departments in the College of Education and Human Services for purposes similar to those the MLIS Program has implemented.

COURSE GRADES

Professional Resume	10 points
Professional Development Plan	10 points
Current Issues Presentation/Discussion	10 points
Portfolio	25 points
Capstone Paper	25 points
Conference-style Presentation	20 points

Final grades will be awarded as follows:

100 – 90 points = A

89 – 80 points = B

79 – 70 points = C

An overall grade of zero can be assigned to an entire paper or project if the instructor determines that its contents, or parts of its contents, were completed by a second party or copied into a paper or project from a source without proper citing. Noncompliance with rules on appropriate use of resources will result in zero credit for those parts of the assignment affected. If you are unsure about the parameters of an assignment, ask for clarification.

ACADEMIC ETHICS

The Guide to Ethical Conduct, a booklet created for VSU MLIS students, can be found at: <http://www.valdosta.edu/colleges/education/master-of-library-and-information-science/documents/GuidetoEthicalConductWebversion.pdf>. It contains guidelines on appropriate conduct and outlines the ethical principles that inform the profession of library and information science.

By this time in your MLIS program, you are expected to cite your sources and quote from those sources appropriately for your discussions, papers, and presentations. If you are unsure about the guidelines for an assignment, this is the time to clarify issues of academic publication. Noncompliance with rules on appropriate use of resources will result in zero credit for those parts of the assignment affected.

Asking librarians or staff in a library to provide answers or to conduct research to fulfill any part of a graded course requirement is an infraction of academic integrity. The same policy applies to contacting any free or commercial reference service for assistance with a graded assignment. Please see the departmental statement on PROFESSIONALISM further down in this document for more discussion of this topic.

LATE POLICY

A 24-hour grace period is in effect in this course. Work submitted more than 24 hours after the due date will not be graded and the assignment will be considered as not submitted. Students who do not submit all the assignments in the course cannot pass the course or graduate (see Standards for Graduation, below).

ATTENDANCE POLICY

This is a Web-delivered course. All course communications, activities, and materials will be available exclusively through the BlazeVIEW web site. All students are expected to log into BlazeVIEW at least once per week to remain current with the course. Daily logins are strongly recommended. All students are required to participate in a minimum of two scheduled live online sessions as indicated in assignment instructions. *To receive full credit for your participation in the Live Classroom sessions, you must remain present for the entire session in which you make your presentation.*

TECHNICAL REQUIREMENTS AND SUPPORT

Technical Requirements

All class materials will be placed in the BlazeVIEW course management program. Login through MyVSU (<https://myvsu.valdosta.edu/portals/>) using your VSU Single Sign-on ID and password.

To meet all class requirements, you should be prepared to: (1) open and save or print all documents that are required background reading — this requires the Adobe Acrobat Reader on your computer; (2) view all PowerPoints placed on the course BlazeVIEW site; (3) participate in Blackboard Collaborate sessions — login links and instructions will be available through your BlazeVIEW course homepage; (4) check discussion groups as needed; and (5) keep electronic backup copies of each assignment and project you submit.

If you are using another word processing program or sharing documents with classmates who have a different version of Word, save your documents in Rich Text Format (rtf). The instructor returns documents that cannot be opened on VSU equipment.

Distance Learning and Technical Support

Given the high stakes involved in completing this course (your graduation!), it is absolutely essential that your computer's technical connections to the applications provided through the university's Information Technology department and the eLearning lab (Distance Learning) are ready to go as of the first day of class. The IT Help Desk is available at <http://www.valdosta.edu/administration/it/helpdesk/> and their phone hot line is 229-245-4357.

Help with BlazeVIEW is available from the D2L Help Center, linked at <http://www.valdosta.edu/academics/elearning/blazeview-d2l.php> or 1-855-772-0423.

To ask questions about availability or location of VSU online resources use VSU Library's Live Chat or Email at: <http://www.valdosta.edu/academics/library/>. You may also phone the VSU Library's reference service at 229-333-7149.

PROFESSIONALISM

The Department of Library and Information Studies expects that MLIS students will pursue their academic endeavors and conduct themselves in a professional and ethical manner. All work that a student presents to satisfy course requirements should represent his or her own efforts, including appropriate use and acknowledgement of external sources. The student will be timely and complete with their assignments and other engagements. The student will communicate in a professional manner in both speech and writing. The student will maintain a professional attitude, being respectful to others and their viewpoints, and seek to maintain objectivity. The student will exercise an awareness of the pervasiveness of the online environment and strive to maintain a professional online presence.

STUDENT OPINION OF INSTRUCTION

At the end of the term, all students will be expected to complete an online Student Opinion of Instruction survey (SOI) that will be available on BANNER. Students will receive an email notification through their VSU email address when the SOI is available (generally at least one week before the end of the term). SOI responses are anonymous, and instructors will be able to view only a summary of all responses two weeks after they have submitted final grades. Instructors will not be able to view individual responses or to access any of the responses until after final grade submission. Complete information about the SOIs, including how to access the survey and a timetable for this term is available at <http://www.valdosta.edu/academic/OnlineSOIPilotProject.shtml>.
