LATE SUBMISSIONS, MISSED ASSIGNMENTS, & MAKE UP ASSIGNMENTS

Completely skipping an assignment is not acceptable in graduate school. To be eligible to receive an A in this course requires completing every assignment and submitting within the specified deadlines. All course work is due inside BlazeVIEW on the date and time indicated on the course calendar (based on the BlazeVIEW clock). Technology problems are not an acceptable excuse for submitting work late unless BlazeVIEW is down at the time the work is due.

COURSE GRADES

Library Technology Proposal	35 points
Developing a User Guide	30 points
Topic Discussions	25 points
Reflections	10 points
Total	= 100 points

Course grades will be awarded as follows:

A – 90-100

B – 80-89

C – 70-79

D – 60-69

An overall grade of zero can be assigned to an entire paper or project if the instructor determines that its contents, or parts of its contents, were completed by a second party or copied into a paper or project from a source without proper citing. Noncompliance with rules on appropriate use of resources will result in zero credit for those parts of the assignment affected. If you are unsure about the parameters of an assignment, ask for clarification.

Before final grade submission, instructors will not be able to see any responses, but they can see the percentage of students who have or have not completed their SOIs. While instructors will not be able to see student names, an automated system will send a reminder email to those who have yet to complete their SOIs. Students who withdraw or drop a course will also be sent invitations to complete the Dropped Course Survey. Complete information about the SOIs, including how to access the survey, is available on the SOI Procedures webpage (<https://www.valdosta.edu/academics/academic-affairs/sois/>).
