### **LATE SUBMISSIONS, MISSED ASSIGNMENTS, & MAKE UP ASSIGNMENTS**

Assignments due dates are posted in the BlazeVIEW course site. Late submissions will not be accepted or graded. However, if you are having trouble completing an assignment on time, contact me before the due date so that we can discuss a possible extension. I will not grade or give credit for discussion activity completed after the due date/time.

Completely skipping an assignment is not acceptable in graduate school. To be eligible to receive an A in this course requires completing every assignment and submitting within the specified deadlines. All course work is due inside BlazeVIEW on the date and time indicated on the course calendar (based on the BlazeVIEW clock). Technology problems are not an acceptable excuse for submitting work late unless BlazeVIEW is down at the time the work is due.

### **MLIS PROGRAM E-PORTFOLIO REQUIREMENT**

An E-Portfolio is required for graduation by all students. Assignments from this course that you might consider including in your portfolio include the accessibility assessment report and presentation.

### **COURSE GRADES**

Course grades will be awarded as follows:

A: 90%–100%

B: 80%–89%

C: 70%–79%

D: 60%–69%

F: Lower than 60%

No grade below a C will be credited toward a VSU graduate degree and students must receive a grade of B or better to earn credit in core courses and the required collection development elective. You must complete all assignments to earn an A in this course.

### **ATTENDANCE POLICY**

VSU requires that you attend class in the first week. All course activities will be conducted through BlazeVIEW [and/or other platform(s) as designated by the instructor]. Course content is delivered asynchronously according to the course calendar. It is your responsibility to participate in all course activities and submit assignments on time. It is in your best interest to log into the course at least several times each week (daily is best) to check announcements, discussion board posts, and emails.

### **COMMUNICATION**

Communication will be conducted through BlazeVIEW email, postings and replies in the discussion board, and/or BlazeVIEW announcements. Check these areas at least several times per week (daily is recommended) as you are responsible for knowing all information communicated through these channels.

VSU requires that all correspondence between the student and the instructor be conducted through official university channels. To that end, all email correspondence related to this course is to be sent using the email client built into the BlazeVIEW course website. For other correspondence with any VSU faculty members or administrative offices, please use your VSU email account. I do my best to answer email and discussion board questions within 48 hours, Monday through Friday.

### **PROFESSIONALISM**

The Department of Library and Information Studies expects you to pursue your academic endeavors and conduct yourself in a professional and ethical manner. All work submitted in the course must represent your own efforts. Cite sources and include reference information. You should communicate in a professional manner in both speech and writing and maintain a professional attitude, being respectful to others and their viewpoints. Exercise an awareness of the pervasiveness of the online environment and strive to maintain a professional online presence.

### **ACADEMIC INTEGRITY**

You are responsible for knowing and abiding by the Academic Integrity Policy as set forth in the Student Code of Conduct (<https://www.valdosta.edu/administration/student-affairs/student-conduct-office/student-handbook.php>) and the COEHS Policy Statement of Plagiarism (<https://www.valdosta.edu/colleges/education/deans-office/policy-statement-of-plagiarism.php>). All students are expected to do their own work and to uphold a high standard of academic ethics. Consequences for acts of academic dishonesty are detailed in the COEHS Policy Statement of Plagiarism.

VSU's Academic Student Conduct Code states that "no student shall engage in plagiarism, which is presenting the words or ideas of another person as if they were the student's own." Content generated by an Artificial Intelligence third-party service or site (AI-generated content) without proper citation is another form of plagiarism. If you are unsure about whether something may be plagiarism or another form of academic dishonesty, please reach out to me as soon as possible.

For more information, visit Academic Honesty at VSU (<https://www.valdosta.edu/academics/academic-affairs/academic-honesty-at-vsu.php>).

### **STUDENT OPINION OF INSTRUCTION SURVEY**

At the end of the term, all students will be expected to complete an online Student Opinion of Instruction survey (SOI) that will be available through SmartEvals. Students will receive an email notification through their VSU email address when the SOI is available (generally at least one week before the end of the term). SOI responses are anonymous to instructors/administrators, and they will be able to access results only after they have submitted final grades. Before final grade submission, instructors will not be able to see any responses, but they can see the percentage of students who have or have not completed their SOIs. While instructors will not be able to see student names, an automated system will send a reminder email to those who have yet to complete their SOIs. Students who withdraw or drop a course will also be sent invitations to complete the Dropped Course Survey. Complete information about the SOIs, including how to access the survey, is available on the SOI Procedures webpage (<https://www.valdosta.edu/academics/academic-affairs/sois/>).
